

Information Sheet for U.S.-Origin Returning Ruminant Meat*

**TO: Customs and Border Protection (CBP) at Port of Discharge
Veterinary Regulatory Support (VRS) at 301-734-8538**

**Note to Trade: FSIS has not changed its policy regarding “returned product” as outlined in FSIS Directive 9010.1; however, APHIS has modified its protocol which can be found on the APHIS website
(http://www.aphis.usda.gov/lpa/issues/bse/bse_returned_us_goods.html)**

BROKER INFORMATION:

Name: _____

Telephone Number: _____

ARRIVING VESSEL INFORMATION:

Port of discharge (name): _____

Vessel name: _____

Container number(s): _____

Date of Arrival: _____

SHIPMENT DETAILS:

1. Did the container remain intact? (i.e., was anything removed from, or added to, the container)	Yes	No	Not Sure
--	-----	----	----------

2. Was the container sealed when it left the U.S?	Yes	No	Not Sure
---	-----	----	----------

If the shipment was sealed, what was the seal number? _____

Is the seal still intact?	Yes	No	Not Sure
---------------------------	-----	----	----------

3. Will the container represent a consolidation from other containers?	Yes	No	Not Sure
---	-----	----	----------

If yes, use page 2 to provide all FSIS export documents that are pertinent to the container number that is returning. If multiple containers are returning, list each one on the table provided.

*** NOTE: A separate information sheet must be used for each returning vessel.**
